Re: **FRANK DARRELL CROMWELL**  
**REGISTER NUMBER: 34474-171**  
**CRIMINAL NUMBER: 5:19-CR-00052-KDB-DSC**

Dear Judge Cayer:

We are in receipt of your Court Order pursuant to Title 18, United States Code, Sections 4241(b) and 4242, dated February 19, 2020, in the case of Mr. Frank Cromwell.

Mr. Cromwell was designated at the Metropolitan Correctional Center (MCC), New York, on June 1, 2020. Consistent with the admission procedures for all newly-designated detainees, he was placed on quarantine status due to the COVID-19-pandemic in order to screen for any potential symptoms of the coronavirus. Initially, the evaluation was scheduled to commence on the date following his removal from quarantine status, which was tentatively scheduled for June 15, 2020. However, Mr. Cromwell was not removed from quarantine status until July 14, 2020, which became the new date the forensic study was able to commence. In order to provide the Court with a comprehensive and thorough report, we generally ask for 45 days from the date of arrival. However, given the indefinite nationwide agency lockdown procedures amidst the current pandemic, we respectfully request an additional 30 days as permitted by the statute. Thus, the evaluation would conclude on September 25, 2020. The report will be prepared and provided to the Court within two weeks after the conclusion of the evaluation, by October 9, 2020.

If the Court requires an expedited evaluation, we will make every effort to accommodate. Thank you for your consideration in this matter.

Sincerely,

  
M. Licon-Vitale  
Warden
